Raymond Carver was one of the most influential writers of the 20th century. His minimalist style and unflinching portrayal of everyday life have made him a beloved figure in literature.

Carver: Life in Poems is a stunning collection of poems that explores the life and work of this extraordinary writer. The poems in this collection are by turns lyrical, poignant, and humorous. They offer a unique window into Carver's mind and heart.

The book is divided into four sections, each of which focuses on a different aspect of Carver's life and work. The first section, "Beginnings," explores Carver's early years and his struggles to establish himself as a writer. The second section, "Breakthrough," celebrates Carver's critical and commercial success. The third section, "Later Years," examines Carver's personal and creative struggles as he battled alcoholism and ill health. The fourth section, "Legacy," pays tribute to Carver's enduring influence on literature.
