Coffee is one of the most popular beverages in the world, but how much do you really know about it? Where does it come from? How is it grown? What makes a great cup of coffee?

In *Crop to Cup: Conversations Over Coffee*, author Jane Doe takes you on a journey through the world of coffee, from the farmers who grow the beans to the baristas who brew it. With beautiful photography and engaging storytelling, *Crop to Cup* is a must-read for any coffee lover.

## The Farmers

The journey of a coffee bean begins with the farmers who grow it. In *Crop to Cup*, you'll meet farmers from all over the world, from Brazil to Ethiopia to Colombia. You'll learn about the different challenges they face, from climate change to pests to disease. And you'll see how their passion for coffee drives them to produce the best beans possible.

## The Coffee Bean

Once the coffee beans are harvested, they're processed and roasted. In Crop to Cup, you'll learn about the different processing methods, from wet processing to dry processing. You'll also learn about the different roasts, from light roasts to dark roasts. And you'll see how the processing and roasting affect the flavor of the coffee.

## The Barista

The final step in the journey of a coffee bean is the barista. In Crop to Cup, you'll meet baristas from all over the world, from New York to Paris to Tokyo. You'll learn about the different brewing methods, from drip coffee to espresso to cold brew. And you'll see how the barista's skill can make a big difference in the taste of your coffee.

If you're a coffee lover, then you need to read Crop to Cup. It's a beautiful and informative book that will take you on a journey through the world of coffee. You'll learn about the farmers who grow the beans, the processing and roasting methods, and the baristas who brew it. And you'll see how all of these factors come together to create a great cup of coffee.
