"Gaawin Gindaaswin Ndaawsii: Am Not Number" by Richard Wagamese

An unforgettable and deeply moving novel that explores the complexities of identity, the trauma of residential schools, and the power of healing and self-empowerment.

When a young Anishinaabe boy is taken from his reservation and forced to attend a residential school, he is stripped of his name, his language, and his culture. He is given a number instead, and becomes known only as "Number." For years, he struggles to survive the physical and emotional abuse inflicted upon him, all the while yearning for his true identity and a sense of belonging.

Years later, as an adult, Number sets out on a journey of self-discovery. He travels back to his ancestral lands, reconnects with his family and community, and finally learns the true meaning of his name, Gaawin Gindaaswin.

"Gaawin Gindaaswin Ndaawsii: Am Not Number" is a powerful and inspiring story that will stay with you long after you finish reading it. It is a testament to the resilience of the human spirit, and a reminder that even in the darkest of times, hope can prevail.
