About the Book

The Foster Youth Playbook for Adulting is a comprehensive guide to help foster youth navigate the transition to adulthood. This book covers everything from finding housing and managing finances to building relationships and pursuing education. Written by a team of experts with

experience in foster care, this book is a valuable resource for any young person who is preparing to live independently.

The transition to adulthood can be a daunting time for any young person, but it can be especially challenging for foster youth. Many foster youth have experienced trauma and instability in their childhoods, which can make it difficult for them to adjust to living on their own. **The Foster Youth Playbook for Adulting** provides practical advice and support to help foster youth overcome these challenges and build a successful future.

What's Inside the Book?

- **Finding Housing:** Where to look for affordable housing, how to apply for rental assistance, and what to do if you're facing eviction.
- **Managing Finances:** How to budget your money, save for the future, and avoid debt.
- **Building Relationships:** How to make friends, date, and maintain healthy relationships.
- **Pursuing Education:** How to choose a college or trade school, apply for financial aid, and succeed in your studies.
- **Getting a Job:** How to write a resume, interview for jobs, and negotiate a salary.
- **Taking Care of Your Health:** How to find affordable health insurance, eat healthy, and stay active.
- **Advocating for Yourself:** How to speak up for your rights, access resources, and get the help you need.

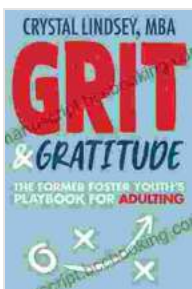

Why Read The Foster Youth Playbook for Adulting?

The Foster Youth Playbook for Adulting is an essential resource for any foster youth who is preparing to live independently. This book provides practical advice, support, and encouragement to help you overcome challenges and build a successful future. If you are a foster youth, I encourage you to read this book and use it as a guide to help you navigate the transition to adulthood.

The Foster Youth Playbook for Adulting is also a valuable resource for professionals who work with foster youth. This book provides insights into the challenges that foster youth face and offers practical advice on how to help them succeed. If you are a social worker, case manager, or other professional who works with foster youth, I encourage you to read this book and use it to inform your work.
