The stories in Get Up and Get Moving are both personal and political. They explore the challenges and triumphs of living in a society that is often hostile to people of color. They also celebrate the strength and resilience of the African American community.

One of the most striking things about Get Up and Get Moving is the diversity of voices that it represents. The stories are told by men and

women, young and old, rich and poor. They come from all walks of life, and they have all experienced the African diaspora in different ways.

This diversity of voices gives *Get Up and Get Moving* a unique power. It allows readers to see the African diaspora from multiple perspectives, and it helps to create a more complete picture of the African American experience in Ohio.

Get Up and Get Moving is an important book that deserves to be read by everyone who is interested in the African diaspora. It is a powerful and moving collection of stories that will stay with you long after you finish reading it.
