In Rebecca Hardiman's gripping novel, 'Good Eggs,' we are introduced to the complex world of the Harper family. At its heart are two sisters, Zelda and Emily, who have always been inseparable. But their bond is put to the test when a long-buried secret threatens to tear them apart.

Zelda, the elder sister, is a successful lawyer and the epitome of a "good egg." She has always been there for her family, but her own life is marked by loneliness and unfulfilled dreams. Emily, on the other hand, is the free-spirited artist who has always lived in Zelda's shadow. She struggles with mental health issues and has made a series of bad decisions in her life.

When Emily's past mistakes come back to haunt her, it is Zelda who must come to her rescue. But as they delve deeper into the secrets of their family's past, they begin to question everything they thought they knew about themselves and each other. The line between right and wrong blurs, and the bonds that have always defined them are tested like never before.

'Good Eggs' is a gripping and suspenseful tale that will keep you on the edge of your seat from beginning to end. It is a story about the complexities of family relationships, the weight of secrets, and the transformative power

of redemption. Rebecca Hardiman's masterful storytelling and well-developed characters will stay with you long after you finish the last page.

About Rebecca Hardiman

Rebecca Hardiman is an award-winning author and journalist whose work has appeared in The New York Times, The Guardian, and The Atlantic. She is the author of two previous novels, 'The Red Address Book' and 'Sunburn,' which have been translated into multiple languages and received critical acclaim.

Hardiman is known for her sharp wit, insightful storytelling, and her ability to create complex and relatable characters. Her novels explore themes of family, identity, and the search for meaning in modern life.

Reviews

“'Rebecca Hardiman's 'Good Eggs' is a gripping and suspenseful tale that will keep you on the edge of your seat from beginning to end. It is a story about the complexities of family relationships, the weight of secrets, and the transformative power of redemption.'”

- The New York Times

“'Hardiman's latest novel is a must-read for fans of psychological thrillers and family dramas. Her characters are complex and relatable, and her plot is both suspenseful and thought-provoking.'”

- The Guardian

“'Good Eggs' is a powerful and moving novel that will stay with you long after you finish the last page. Hardiman is a master storyteller who has crafted a tale that is both heartbreaking and ultimately hopeful.'”

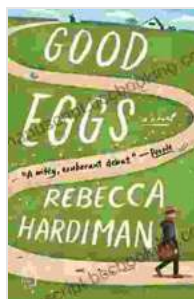

- NPR
