Kielburger's book is based on the belief that everyone has the potential to make a difference. He argues that we don't need to be rich or famous to have an impact. All we need is the courage to take action.

Kielburger's book is divided into three parts. In the first part, he shares stories of ordinary people who have made extraordinary contributions to the world. These stories are sure to inspire you to believe that you, too, can make a difference.

In the second part of the book, Kielburger provides practical advice on how to get started making a difference. He covers topics such as:

- How to identify your passions and skills
- How to find opportunities to make a difference
- How to overcome challenges and setbacks

In the third part of the book, Kielburger offers a vision for a better future. He believes that we can create a world where everyone has the opportunity to thrive. He challenges us to work together to build a more just, equitable, and sustainable world.
