Spike was a young boy who loved to ride the Ferris wheel at the carnival. He loved the feeling of being so high up in the air, and he would often spend hours riding the Ferris wheel, watching the world go by below him.

One day, Spike was riding the Ferris wheel when something went wrong. The Ferris wheel suddenly stopped, and Spike found himself trapped at the top, 100 feet in the air. Spike was scared, but he knew that he had to stay calm. He called out for help, but no one could hear him.

Spike's friends, who were watching him from below, saw that he was in trouble. They ran to get help, and soon the fire department was on the scene. The firefighters were able to get Spike down from the Ferris wheel, and he was safe and sound.
