He is a leading expert in cardiology and has authored over 200 scientific publications. Dr. Toy is also the editor of the textbook *Clinical Cardiology*.

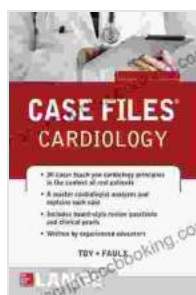

Reviews

"Case Files: Cardiology is an excellent resource for medical students, residents, and practicing physicians who want to improve their knowledge and skills in cardiology. The cases are well-written and the explanations are clear and concise. I highly recommend this book." - **Dr. Robert A. Kloner, Professor of Medicine, University of California, Los Angeles**

"Case Files: Cardiology is a must-have resource for medical students and residents preparing for the USMLE. The cases are challenging and the explanations are detailed. I highly recommend this book." - **Dr. Mary Norine Walsh, Professor of Medicine, Harvard Medical School**
