## **The Pre Icon Roommate**

The pre icon roommate was a little girl named Susie. She was a year older than the author, and she was always getting into trouble. She would climb on the furniture, draw on the walls, and make a mess of the toys. The author's parents were always scolding her, but the author secretly loved her.

One day, Susie was playing in the backyard when she fell and broke her arm. The author's parents rushed her to the hospital, and the author was so worried about her. She stayed by Susie's bedside all night, and she was so relieved when she finally woke up.

Susie's accident made the author realize how much she loved her. She realized that even though Susie was a little bit naughty, she was also a very special person. The author is grateful for the time she spent with Susie, and she knows that she will never forget her.
