College is a major investment, both financially and academically. That's why it's more important than ever to find the right college for your needs and budget. *Right College, Right Price* is the ultimate guide to help you do just that.

This comprehensive book covers everything you need to know about the college admissions process, from choosing the right schools to applying for financial aid. You'll learn how to:

- Research colleges and find the ones that are the best fit for you
- Write a winning college essay

- Get the best possible financial aid package
- Negotiate with colleges to get a better deal
- Graduate from college with minimal debt

Right College, Right Price is written by a team of experts in college admissions and financing. They have years of experience helping students and families find the right college and pay for it without breaking the bank. With their help, you can find the perfect college for your needs and budget, and graduate with the degree you want without a mountain of debt.

What's Inside *Right College, Right Price*?

Right College, Right Price is packed with information and advice to help you find the right college and pay for it without breaking the bank. Here's a sneak peek at some of what you'll find inside:

- A step-by-step guide to the college admissions process
- Profiles of over 100 colleges and universities
- Information on financial aid, scholarships, and grants
- Tips on negotiating with colleges to get a better deal
- Advice on how to graduate from college with minimal debt

Who Should Read *Right College, Right Price*?

Right College, Right Price is a must-read for any student or family who is planning to attend college. It's also a valuable resource for high school counselors and college admissions officers.

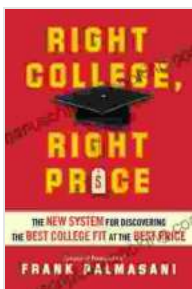

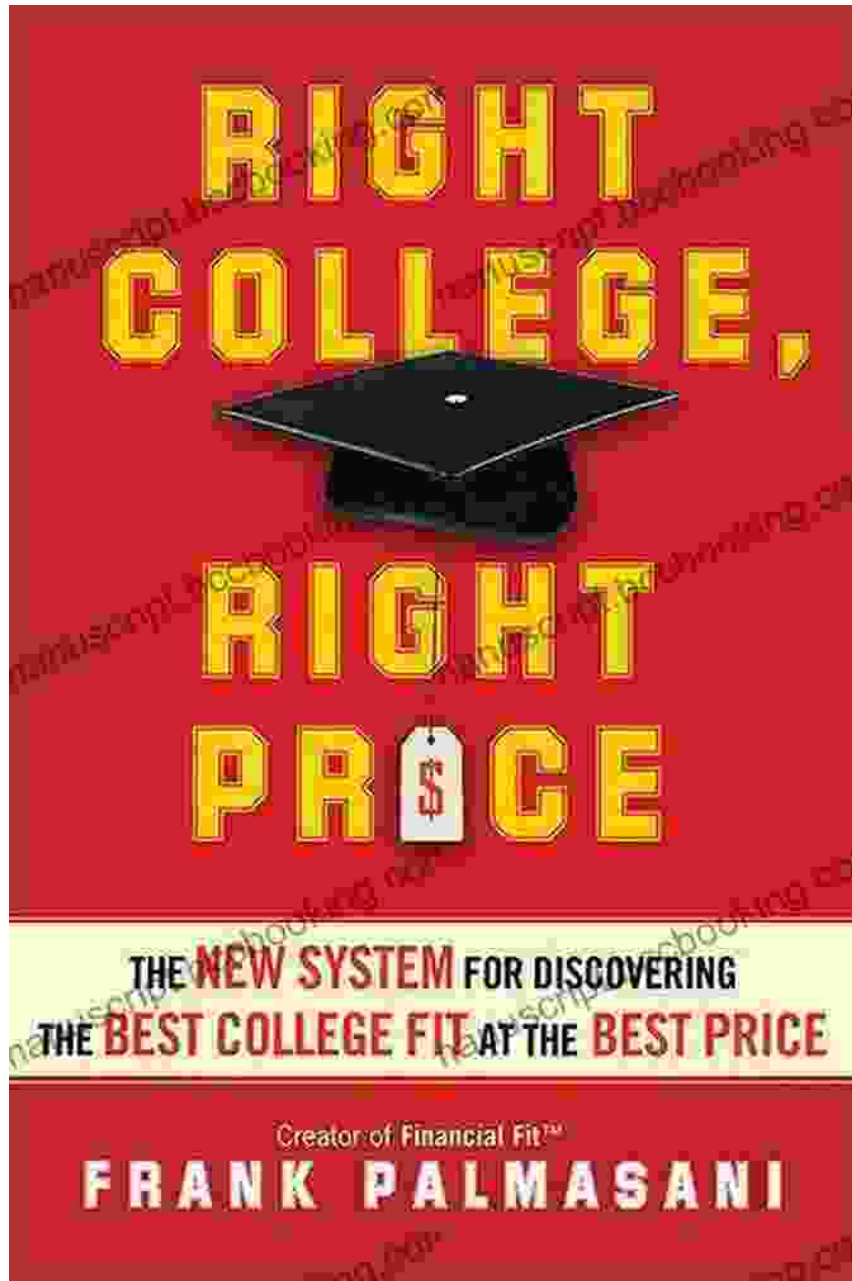

If you're looking for the ultimate guide to finding the right college and paying for it without breaking the bank, then *Right College, Right Price* is the book for you.
