## What's Inside The Complete Manual of Typography?

1. An overview of the history of typography, from its origins in ancient Greece to the present day
2. A detailed discussion of the different elements of typography, including typefaces, fonts, size, leading, and kerning
3. Instructions on how to choose the right typeface for your project, based on factors such as readability, legibility, and tone of voice

4. Tips on how to create effective page layouts, including how to use grids, columns, and white space
5. A glossary of typographic terms

The Complete Manual of Typography is illustrated with hundreds of examples of good and bad typography, so you can see firsthand how different typographic choices can affect the readability, legibility, and overall impact of your designs.
