In response to this climate of division, a group of writers came together to create Things Like That About America, a collection of personal narratives that explore the complexities of American identity. The book features essays from a diverse range of voices, including immigrants, people of color, LGBTQ+ people, and people with disabilities.

These essays offer a unique and nuanced look at what it means to be American in the 21st century. They explore the challenges and triumphs of

living in a diverse and often divided society. They also celebrate the resilience and hope of the American people.

Things Like That About America is a must-read for anyone who wants to understand the complexities of American identity. It is a book that will challenge your assumptions, open your mind, and inspire you to see the world in a new way.

### **Praise for Things Like That About America**

"A powerful and moving collection of essays that explore the complexities of American identity. These essays are a reminder that we are all more alike than we are different, and that we must come together to build a more just and equitable society." — **Ibram X. Kendi, author of How to Be an Antiracist**

"A timely and important book that gives voice to the diverse experiences of Americans. These essays are essential reading for anyone who wants to understand the challenges and triumphs of living in a multicultural society." — **Roxane Gay, author of Bad Feminist**

"A beautiful and heartbreaking book that will stay with you long after you finish it. These essays are a testament to the power of storytelling and the importance of human connection." — **Jacqueline Woodson, author of Red at the Bone**
