At the heart of the novel is Kate, a young woman who has retreated to the summer cottage after a life-changing event. Haunted by a painful past, she seeks solace in the peaceful surroundings of the lake and the companionship of her elderly caretaker, Mrs. Langley.

As Kate spends her days exploring the lake's hidden coves by rowboat, wandering through the whispering pines, and tending to the cottage garden, she begins to confront her past and the secrets that have shaped her life. With each passing day, the summer cottage becomes more than just a temporary refuge; it transforms into a sanctuary for healing and self-discovery.

Shipman deftly weaves together the threads of Kate's personal journey with the timeless beauty of the natural world. The cycle of seasons, the rhythm of the waves, and the chorus of birdsong provide a backdrop for her emotional growth and transformation.

As summer unfolds, Kate's solitary existence is gently disrupted by the arrival of Will, a handsome and enigmatic artist who has come to stay at a nearby cabin. Drawn to Kate's quiet strength and undeniable charm, Will finds himself becoming increasingly involved in her life.
