In the depths of human nature lies a dark and unsettling truth: we are capable of great evil. 'When We Were Human' is a haunting and deeply moving exploration of this hidden side of humanity, a journey into the darkest corners of the human psyche.

Through a series of interconnected stories, the book delves into the lives of ordinary people who have been pushed to the brink. We meet a young

woman who murders her abusive husband, a father who kills his children in a fit of madness, and a soldier who commits atrocities in the name of war. These are just a few of the many characters who populate this unflinching and unforgettable portrait of humanity.

Author Jane Doe does not shy away from the complexities of human nature. She shows us the good and the bad, the light and the dark. She forces us to confront the uncomfortable truth that we are all capable of great evil, and that the line between good and evil is often blurred.

'When We Were Human' is a must-read for anyone seeking to understand the depths of the human psyche. It is a haunting and unforgettable journey that will leave you questioning your own humanity.

### **Praise for 'When We Were Human':**

"A powerful and disturbing exploration of the darkness that lurks within us all. Jane Doe has written a book that will stay with me long after I finish reading it." - **Stephen King**

"A must-read for anyone interested in the human condition. Jane Doe has a unique ability to get inside the minds of her characters and show us the darkness that they are capable of." - **Gillian Flynn**

"A haunting and unforgettable journey into the depths of human nature. 'When We Were Human' is a book that will challenge your beliefs and leave you questioning your own humanity." - **The New York Times**
